**Is your travel to Dillingham for one of the following reasons:**

- Essential Infrastructure Employee In Conduct of Employment
- Travel Is To Secure Critical Personal Need

### **MANDATORY QUARANTINE**

City of Dillingham Emergency Order No 1.1 requires a mandatory quarantine of all persons arriving in Dillingham by air or vessel. Per CDC guidance quarantine can end without testing after ten (10) days if no symptoms have been noted during daily quarantine self-monitoring. Self monitoring for symptoms and the use of face coverings and social distancing are required for the next four (4) days. Essential infrastructure employees, and persons traveling for critical personal needs, are permitted a limited quarantine. When not actively engaged in the conduct of employment, or securing the critical need, persons claiming these exemptions must remain in quarantine as outlined above for the same duration, or until they leave Dillingham, whichever occurs first.

### **QUARANTINE**

- I understand that the above quarantine is required of all travelers arriving in Dillingham by air or vessel.

## **WHAT IS QUARANTINE - WHY IS IT IMPORTANT?**

A quarantine is meant to decrease the number of interactions newly arrived travelers have with community members who have been in Dillingham and not traveled. Please do not visit the grocery store, bank, post office, bars, restaurants, and other areas community members congregate until your quarantine period has ended. Please have friends / family / co-workers / business deliver necessary supplies while quarantining from community members.

### **PROTECTIVE MEASURES OBSERVED TO DECREASE THE SPREAD OF COVID-19:**

- **Wear a face mask** when in public spaces.
- **Wash your hands often** with soap and water for at least 20 seconds, especially after coughing, blowing your nose, or sneezing.
- If soap and water are not available use **hand sanitizer with at least 60% alcohol**.
- **Don't touch your eyes, nose or mouth**.
- **Avoid close contact with people in the community**. Put 6 feet of distance between yourself and people who don't live in your household.
- **Clean and disinfect frequently touched surfaces**, such as doorknobs, handles, faucets, toilets, phones, light switches and countertops, at least daily.
- **Monitor for symptoms** such as fever, cough, or shortness of breath. Alert a healthcare provider via phone if infection is suspected.

Thank you for traveling to our community. The City of Dillingham's goal is to keep the community safe from the spread of COVID-19 while allowing travel for essential services, critical personal needs & infrastructure work, subsistence, and visits until the COVID-19 threat subsides.
